

MISSION STATEMENT

Badlands is a team of individuals dedicated to meeting the human service needs of adults to promote healthy living through treatment and personal growth.

VISION STATEMENT

Badlands is a recovery center built to change lives by providing therapeutic services that are individualized to a person's needs.

WHO WE ARE

The Badlands Recovery Center is a short-term evidence-based inpatient treatment program that provides addiction and mental health services. The services are delivered by our professional counseling and addiction specialists to assist you in your recovery. The center is located in Eastern Montana in the community of Glendive. It is surrounded by Montana's largest state park, the badlands of Makoshika.
